

Further information on the protection of personal data for web page and social media users

1. Who is this document on further information designed for?

This document amends further information on the protection of personal data of **users and visitors of web pages and social sites** of **Envirotex, s.r.o., Námestie Slovenského národného povstania 270/3, 917 01 Trnava**, registered in the Commercial register of the County court in Trnava, Oddiel: Sro, Vložka číslo: 48045/T, IČO: 53456408, DIČ: 2121396365, IČ DPH: SK2121396365 (hereinafter as "**Envirotex**" or as "**operator**") primarily on the nature of personal data and why Envirotex processes it, as well as how it obtains the data, from whom and how long it stores the data.

Any questions, objections and requests to this document and information it states is received by the operator at info@envirotex.eu.

2. What data is being processed and for what purpose?

Envirotex processes personal data of users and visitors of web pages and social media for the following reasons:

2.1 Handling an issue of a user or visitor via a sent form.

To the extent: general personal data that includes the name, surname, name of company, email address, telephone number.

The legal basis for processing personal data is the rightful interest of Envirotex to handle a request of a user of visitor that fills and sends the relevant form.

2.2 Ordering services

To the extent: general personal data that includes the trade name or name of unit of account; headquarters or place of residence and place of conducting business for natural persons; company registration number if applied; name, surname, telephone number and email address of the ordering party and address of delivery.

The legal basis for processing personal data is in the fulfilment of an order/contract concluded between Envirotex and the ordering party/purchasers (for further information please follow the information for purchasers).

2.3 Envirotex News sent via email

To the extent: e-mail address and preferences (chosen category of news)

The legal basis for processing personal data is the consent of the affected person expressed by enrolling to a subscription of Envirotex News.

2.4 Registration for Envirotex news (saving of favourite items)

To the extent: general personal data that includes the name, surname, and email address

The legal basis for processing personal data is the rightful interest of Envirotex to create a user-friendly interface for the user of Envirotex web pages.

2.5 Registration at <https://envirotex.sk/kontaktujte-nas/> / for saving calculations of the registered person

To the extent: general personal data that includes the name, surname, company name, email address and telephone number.

The legal basis for processing personal data is the rightful interest of Envirotex to create a user-friendly interface for the ordering party of the calculation on the web page of Envirotex.

2.6 Online marketing a profiling

To the extent: email address, behaviour on the internet, personal preferences, location.

The legal basis for processing personal data is the explicit consent of the affected person.

2.10 Cookies (analytical and statistical, remarketing)

To the extent: behaviour on the internet, personal preferences, location.

The legal basis for processing personal data is the explicit consent of the affected person.

2.11 Linking with social media

To the extent: the web page of Envirotex can include functions to link social media including Facebook, Instagram, LinkedIn, and Google+

The linking with social media will inform the operator which web pages the user has visited. If the user was signed in their Facebook or Google account when browsing web pages of the operator. The operator can gain information on the interests of the user, i.e., information that is accessible through their user accounts. By using linked functions (such as "Like", leaving a comment), this information will also be passed by the browser directly to the operator for storage purposes.

Further information on gathering and utilising data by Facebook, Google and regarding rights and available options for privacy protection are available at: <http://www.facebook.com/policy.php>
<https://policies.google.com/privacy?hl=sk&gl=sk>

If the user wishes to prevent social media platforms such as Facebook and Google being linked with their visit at web pages of the operator, the user has to logout of the according user account before entering these web pages.

The legal basis for processing personal data is the explicit consent of the affected person.

2.12 Agenda in terms of fulfilment of legal duties regarding the protection of personal data

To the extent: general personal data such as the title, name, surname, company name, email, telephone number, signature processed when exercising the rights of an affected person, for example via the Request on exercising the rights of affected persons.

The legal basis is the fulfilment of legal duties according to Act no. 18/2018 Coll. on the protection of personal data and amending and supplementing certain acts and GDPR decree.

3. How, when and from whom does Envirotex acquire personal data?

Envirotex acquires personal data of users and visitors of web pages and social media:

- directly from the affected person by filling a form on the web page; directly from the affected person by registering on the web page; indirectly from the contact person, that fills in the form on the web page in the name of the affected person (logging and registration for training);
- indirectly from cookie and social media providers; directly from the affected person when filing a request to exercise the rights of an affected person.

4. How long does Envirotex store personal data?

Envirotex processes personal data in individual cases as follows:

Forms on handling a request	3 years
Order form	1 year
Envirotex News	3 years
Registrations	1 year from the last time of signing in
Online marketing (email address)	3 years
Cookies and social media	according to the conditions of providers
GDPR Agenda	5 years

After the end of stated time periods, the personal data is liquidated in a safe and lawful manner.

5. Where are the general terms of protection of personal data accessible?

The general terms of protection of personal data Envirotex are accessible on our web page in the Information on protection of personal data section.
